

**Giselle D'Epiro Ellis, Pharm.D., BCACP**  
Email: gdepiroellis@gmail.com

---

**Professional Experience**

- June 2017 – Present      Assistant Professor of Therapeutics  
Wright State University Boonshoft School of Medicine, Miami Valley Hospital  
Contacts: Brenda Roman, MD; Peter Reynolds, MD, FAAFP
- Review medical school curriculum for pharmacology and pharmacotherapeutics integration
  - Create peer instruction, team-based learning and other active learning teaching styles for medical students in all four years of the medical school curriculum
  - Round with inpatient Family Medicine Team
  - Provide Family Medicine resident education through bedside and didactic teaching
- July 2013 – May 2017      Assistant Professor, Pharmacy Practice  
Albany College of Pharmacy and Health Sciences – Vermont Campus  
Contact: Darren Grabe, Pharm.D.  
Practice site: Milton Family Practice
- Performed medication reconciliation and device education
  - Educated patients on inhalers, insulin pens and other devices
  - Provided smoking cessation behavioral counseling and pharmacotherapy recommendations
  - Answered drug information questions for attendings and medical residents
  - Attended nursing home rounds at Green Mountain Nursing Home and Burlington Health and Rehab
  - Assisted in precepting UVM Family Medicine residents and UVM medical students
  - Precepted PGY1 Pharmacy Residents for outpatient Family Medicine elective
- July 2012 – May 2013      Part-Time Clinical Pharmacy Specialist  
Allegheny General Hospital  
Contact: Paula Horn, Pharm.D., BCACP, CACP
- Managed patients' warfarin dosing via a collaborative practice agreement
  - Created bridging calendars for patients undergoing procedures while taking warfarin
  - Provided warfarin patient education

- July 2011 –  
July 2012

  - Trained PGY1 and PGY2 residents in point-of-care anticoagulation service

Ambulatory Care Specialty Resident  
Allegheny General Hospital  
Contact: Michael Korczynski, Pharm.D., BCACP, CDE

  - Rotated with clinical pharmacist or physician preceptors at various outpatient sites
  - Completed journal clubs, seminar, student-teaching conferences, research, formulary review, continuing education teaching, and medication use evaluation
  
- July 2010 –  
June 2011

University of Wisconsin School of Pharmacy  
Community Pharmacy Resident – The Medicine Shoppe Pharmacy  
Contact: Brian Jensen, RPh, FACA

  - Performed final check on prescriptions
  - Counseled patients on new prescriptions, refills and over-the-counter selection
  - Performed medication therapy management
  - Precepted University of Wisconsin Advanced Pharmacy Practice Experience students
  - Worked with students to implement a medication take-back program and to develop a tobacco cessation program
  - Assisted in teaching pharmacotherapy lab
  - Administered and oversaw influenza vaccinations
  - Assisted in management of Lakeshore Project, a diabetes management program
  
- April 2007 –  
March 2010

Pharmacy Intern  
Kroger Pharmacy, 1585 Georgesville Square Dr.  
Columbus, Ohio 43228  
Contact: Justin Friesner, PharmD

  - Performed post-dispensary audits
  - Compounded medications including creams, ointments, and suspensions
  - Administered flu vaccines
  - Counseled patients on prescription and over-the-counter medications

## **Education**

- June 2010

Doctor of Pharmacy  
The Ohio State University
  
- June 2008

Bachelor of Science in Pharmaceutical Sciences  
The Ohio State University

## **Professional Licensure, Certification, and Training**

August 2016	American Pharmacists Association Immunization Faculty Training Program
November 2015	NACDS Point-of-Care Training
June 2015	Comprehensive Motivational Interview Training (comMI) for Healthcare Providers
November 2014	Tobacco Treatment Specialist Certification
November 2013	Board Certified Ambulatory Care Pharmacist
October 2013	Medication Therapy Management Certification and Faculty Training
July 2013 – Present	Pharmacist, State of Vermont 033.0095853
January 2012 – Present	Authorization to Administer Injectables RPI006143
November 2011 – Present	Pharmacist, State of Pennsylvania RP446279
August 2010 – Present	Pharmacist, State of Wisconsin #16111-040
June 2017, November 2014, February 2012, August 2010, September 2008	Cardiopulmonary Resuscitation Certification
August 2011	AGH Anticoagulation Credential
September 2011, September 2008	Certified Pharmacy-Based Immunization Delivery Training, American Pharmaceutical Association
September 2010 – June 2011	University of Wisconsin Teaching Certificate Program
July 2010	Collaborative Institutional Training Initiative – Human Subjects Research

- July 2010 Wisconsin Pharmacy Quality Collaborative Medication Therapy Management Program Certification
- September 2006 – 2010 Pharmacy Intern, State of Ohio # 06-0-06429
- September 2008 – 2009 Certified Diabetes Screening Training, Central Ohio Diabetes Association

## **Teaching Experiences**

### *Coordinator*

- Spring 2015 – Spring 2017 IPS 402: Integrated Problem Solving IV
- Coordinate inter-professional experience with UVM Medical School students
  - Create cases and keys for faculty facilitators
  - Provide feedback to case writers
  - Coordinate schedule between PTPM Modules and IPS
  - Co-develop journal club activity and introductory lecture
- Spring 2014 – Spring 2017 PHM 580V01: APha MTM Certificate Elective Coordinator
- Coordinate and teach Medication Therapy Management course to third year pharmacy students

### *Instructor or Lecturer*

- Spring 2014 – Spring 2017 PHM 329: Self-Care
- Provide lectures on “Herbals and Supplements,” “Nausea and Vomiting,” “Constipation,” “Heartburn and Gas,” “Eyes and Ears (2016 only),” and “Diarrhea”
  - Create examination questions for lectures provided
- Spring 2014 IPS 402: Integrated Problem Solving IV
- Facilitated SOAP note writing and case discussion, covering a variety of disease states
  - Graded SOAP notes, providing constructive feedback
- Fall 2014 – Fall 2016 PHM 436: Drug Interactions Elective
- Present lecture on cardiovascular drug interactions
- Facilitate discussion regarding cardiovascular drug interaction cases

- Fall 2013 –  
Fall 2016
- PSL 531: Pharmacy Skills Lab 5: Patient Assessment
- Lecture on cardiology and pulmonology physical assessment skills
  - Lecture on triage and general physical examination
  - Assisted [instructor] students in blood pressure and other physical assessment techniques
  - Graded [instructor] and provide feedback to students on lab practicals
- Fall 2013 –  
Spring 2017
- APPE Seminar: Drug Interactions, Jeopardy
- Facilitate discussion of the basics of drug interactions
  - Facilitate discussion based upon jeopardy game
- Fall 2016,  
Fall 2014,  
Fall 2013
- PHD 541: Pharmacists as Immunizers
- Assessed and provided feedback on students' immunization technique
- Fall 2013 –  
Fall 2014
- IPS 401: Integrated Problem Solving III
- Facilitated SOAP note writing and case discussion, covering a variety of disease states
  - Graded SOAP notes, providing constructive feedback

## **Service Activities**

### *National and International*

- October 2016
- Glens Falls Medical Mission to Nueva Santa Rosa, Guatemala
- April 2015 –  
September 2015
- Women's Health Conference Planning Committee Member

### *Local and State*

- June 2015 –  
May 2017
- Family Medicine Grand Rounds Committee Member
- September 2015 –  
October 2015
- Colchester Community Wellness Fair Steering Committee Member
- August 2014 –  
May 2017
- Residency Advisory Committee Member

*College and Practice Site*

September 2015 – May 2017 Pharmacy Educational Experience Committee Initiative Member: Intentional Interprofessional Education  
June 2015 – May 2017 President’s Strategic Agenda: Vermont Pharm.D. Plus Co-leader

April 2014 – May 2017 Multicultural Dance Club Advisor

April 2014 – May 2017 IPS Coordinators Meeting Member

September 2013 – May 2017 Pharmacy Educational Experience Committee Member

November 2016, November 2015, November 2014, November 2013 Pharmacist Round Table Participant

October 2015 Campus and Academic Fair Participant

September 2015 – March 2016 Pharmacy Educational Experience Committee Initiative Leader: “Hot Spots” Initiative

September 2015 – August 2016 MSCHE Accreditation Period Review Report Reviewer

September 2014 – March 2015 Pharmacy Educational Experience Committee Initiative Leader: Preceptor Perceptions of Quality of ACPHS graduates

September 2014 – January 2015 Pharmacy Educational Experience Committee Initiative Member: IPPE Disease States Encountered

September 2014 – January 2015 Pharmacy Educational Experience Committee Initiative Member: IPPE Honors Policy

October 2013 – January 2014 Pharmacy Educational Experience Committee Initiative Member: APPE Honors Policy

October 2014 Fresh Start Tobacco Cessation Group Co-leader

July 2014 Teaching Assistant Search Committee Member

October 2015, SSHP Clinical Skills Competition Judge

September 2013

## **Ambulatory Care PGY2 Rotations**

- July 2011 –  
July 2012
- Longitudinal Anticoagulation Management  
Preceptors: Michael Korczynski, Pharm.D.; Paula Horn, Pharm.D., BCACP, CACP
- Adjusted warfarin dosing based upon venipuncture and point-of-care INR results
  - Educated patients on administration of enoxaparin and warfarin use, including drug and food interactions
  - Created bridging calendars for patients holding warfarin related to a procedure
  - Participated in on-call anticoagulation service
- June 2012,  
January 2012,  
September 2011
- Internal Medicine  
Preceptor: Michael Korczynski, Pharm.D
- Worked independently to provide disease-state education for newly diagnosed and uncontrolled diabetic patients
  - Provided tobacco cessation counseling
  - Presented recommendations for initiation and titration of hyperlipidemia, hypertension and diabetes medications to attending physicians
  - Recorded interventions and followed-up with patients in regards to medication or dose changes
  - Created a treatment goals form for patient education
  - Answered physician drug information questions
- May 2012
- Asthma/Allergy  
Preceptor: Deborah Gentile, M.D.
- Provided device training and allergen avoidance education
  - Observed skin testing and spirometry
  - Attended local asthma summit
- April 2012
- Cardiovascular  
Preceptors: Jim Coons, Pharm.D., BCPS; Megan Barnes, Pharm.D.
- Performed medication reconciliation
  - Recommended changes in medication therapy or monitoring plans to provider
  - Provided medication education to patients
  - Discussed various cardiology topics, including cardiac transplant and heart failure

- March 2012                      Management  
Preceptor: Michael Korczynski, Pharm.D.
- Worked on updating and creating collaborative practice agreements
  - Finalized templates and procedures for an employee tobacco cessation program
  - Began work on a transitions of care MTM program
- February 2012                      Hematology/Oncology  
Preceptor: Rick Miller, Pharm.D., BCPS, BCOP
- Performed medication reconciliation
  - Educated patients on proper use of medications, especially supportive measures
  - Answered drug information questions
- December 2011                      Research Month  
Preceptor: Michael Korczynski, Pharm.D.
- Completed data collection for research project
  - Began compiling results for the project
  - Updated research proposal to include collected data
- November 2011                      Positive Health (HIV) Clinic  
Preceptor: Cindy Powers, Pharm.D., BCPS
- Performed medication reconciliation
  - Shadowed physicians and nurse practitioners
  - Reviewed HIV topics with preceptor
  - Prepared pillboxes
  - Counseled patients on medication side effects
  - Assisted physicians in medication selection
- October 2011                      Human Resources/Employee Benefits  
Preceptors: Michael Korczynski, Pharm.D.; Brian Guyton, CEBS
- Created template for and implemented Tobacco Cessation Program, including program outline, marketing material and cost justification
  - Reviewed employee prescription claim and lab data
  - Used above data to direct potential disease state management programs
  - Used above data for diabetic management program justification
  - Used above data to demonstrate need for step therapy
  - Participated in employee benefits fair

July 2011 –  
August 2011

Orientation

Preceptors: Nita Shah, Pharm.D.; Paula Horn, Pharm.D., BCACP, CACP

- Trained on Sunrise and QS1
- Provided anticoagulation education and dosing adjustments based upon POC results
- Staffed in the outpatient pharmacy, including data entry and counseling patients on over-the-counter and prescription medications

**Presentations**

June 2017

“Liver, Love, and Lungs: the New Drugs”

- Presented to providers in workshop at the UVM Family Medicine Review Course
- Recorded for potential publication by Audio Digest

November 2016

“Headaches”

Presented headache in-service to Family Medicine Practice medical residents and a UVM medical student

September 2016

“Vitamin Supplementation in Women”

Presented to providers at the University of Vermont Women’s Health Conference

June 2016

“The New Anticoagulants”

Presented to providers at the UVM Family Medicine Review Course

June 2016

“Jeopardy”

Presented education of various topics using jeopardy game to Family Medicine Practice medical residents and a UVM medical student

September 2015

“Medications in Pregnancy and Lactation”

Presented to providers in workshop at the University of Vermont Women’s Health Conference

September 2015

“COPD Management”

Presented inhaler device education as part of an in-service to Family Medicine Practice medical residents and a UVM medical student

September 2015

“Mosquito-borne Diseases and Top Antimicrobials”

Presented education in-service to Family Medicine Practice medical residents and a UVM medical student

June 2015	<p>“New Drug Update: Focus on Weight Loss and Insomnia” Presented to providers in workshop at the UVM Family Medicine Review Course</p>
June 2015	<p>“New Drug Update” Presented education in-service to Family Medicine Practice medical residents and a UVM medical student</p>
April 2015	<p>“The Skinny on Weight Loss Treatment” Presented continuing education to pharmacists attending Vermont Society of Health Systems Pharmacy’s annual meeting</p>
December 2014	<p>“Enhanced Medication Reconciliation for Elderly Patients with Polypharmacy” Co-author of poster presentation at Institute for Healthcare Improvement’s Annual National Forum</p>
May 2014	<p>“Herbals and Supplements” Presented education in-service to Family Medicine Practice medical residents</p>
December 2013	<p>“Medication Reconciliation” Presented education in-service to Family Medicine Practice medical residents</p>
October 2013	<p>“Drugs in Pregnancy and Lactation” Presented continuing education to practicing pharmacists</p>
Monthly 2011– 2012	<p>Presentation to medical residents as a part of their Ambulatory Service instruction, including the following topics:</p> <ul style="list-style-type: none"> <li>• Medication Safety</li> <li>• Insomnia</li> <li>• Drug-drug Interactions</li> <li>• Antidepressants</li> <li>• Topical Products</li> <li>• PPI Overuse</li> <li>• New Diabetic Agents</li> </ul>
February 2012	<p>“Tobacco Cessation Program” Presented to Senior HR Team of West Penn Allegheny System a new employee-based tobacco cessation program</p>
January 2012	<p>“Effect of Two Intensive Statin Regimens on Progression of Coronary Disease” Presented journal club to group of clinical pharmacists</p>

November 2011	“Controversy in HIV: Initiation of HAART” Presented to pharmacy residents, clinical pharmacists and pharmacy students
November 2011	“Rivaroxaban Formulary Review” Presented to clinical pharmacists and physicians at DUFRR, Anticoagulation Committee, and P&T Committee
October 2011	“Placebo-controlled Trial of Cytisine for Smoking Cessation” Presented journal club to a group of clinical pharmacists
June 2011	“Vitamins and Supplements: Weight Loss and Athletic Performance” Presented informal lecture to employees of Orion Energy Systems
March 2011	“Medicare Part D” Presented a lecture to Physician Assistant students at University of Wisconsin-Madison
October 2010	“New Oral Agents available for Multiple Sclerosis” Presented to an MS interest meeting made up of public members
September 2010	“Wellness Med Check Program” Presented lunch-and-learn to announce medication therapy management program to two small groups of Manitowoc County employees
January 2010	“Transdermal Patches” Presented lecture to second year pharmacy students at The Ohio State University on the basics of transdermal patches

### **Professional Affiliations and Meetings**

2013-2015	American Association of Colleges of Pharmacy
2006 – 2007, 2009 – 2015	American Pharmaceutical Association – member
2011 – 2015	American Society of Health System Pharmacists – member
November 2014	Bridging the Divide: Pharmacy and Primary Care
August 2014	Geriatric Pharmacology
August 2014	UVM Simulation Training

2012, 2011, 2010	ASHP Midyear Meeting and Exhibition
2011	American Pharmacists Association Annual Meeting and Exposition
2010 – 2011	Pharmacy Society of Wisconsin – member
2011	Pharmacy Society of Wisconsin Educational Conference
2009 – 2010	Student Society of Health-System Pharmacists – member

### **Awards and Scholarship**

January 2020	Pharmacotherapy Update and Review for Family Medicine Residents Using Jeopardy-Style Game – principal investigator of accepted publication in MedEdPORTAL of the Association of American Medical Colleges
April 2016	Pharmacotherapy of Type 2 Diabetes – Team-Based Learning Co-author of publication in MedEdPORTAL of the Association of American Medical Colleges
December 2014	“Enhanced Medication Reconciliation for Elderly Patients with Polypharmacy” Co-author of poster presentation at Institute for Healthcare Improvement’s Annual National Forum
July 2014	“Use of Pharmacy Practice Faculty and Student Pharmacists to Screen, Educate, and Provide Pneumococcal Vaccine to Elderly Patients in Vermont” Collaborated with other faculty in administering pneumococcal vaccinations to the elderly living in nursing homes
February 2014	Provost Technology Award Intramural grant awarded for the development of a flipped classroom model and OTC online simulation
May 2012	“Evaluating Potential Cost Savings to a Health System Using the Asheville Diabetes Model” Presented poster to audience of pharmacy residents and preceptors at the Eastern States Conference
December 2011	“Evaluation of Inpatient Warfarin Guidelines” Presented poster at ASHP Midyear Meeting and Exhibition

March 2011                    “Assessing Technician Skills and Knowledge in Performing Medication Therapy Management Tasks in a Community Pharmacy, Using a Human Factors Approach”  
Presented poster at APhA Annual Meeting and at Pharmacy Society of Wisconsin Educational Conference. Presented research findings at Great Lakes Residency Conference.

### **Community Involvement**

September 2015 –     Amateur Musicians Orchestra  
May 2017

July 2015 –             Williston Community Food Shelf volunteer  
March 2017

November 2014 –     Essex Alliance Church Bible study leader  
May 2017

August 2015           Lake Champlain Dragon Boat Festival Team Drummer

June 2015             El Salvador Medical Missions trip through Global Health Outreach

February 2015 ,       Haiti Medical Missions trip through Mission Discovery  
February 2014

September 2012 –     L.I.V.I.N.G. Ministry volunteer  
May 2013

September 2010 –     SAIL Young Professionals Organization member  
June 2011

September 2010 –     Hope House volunteer  
June 2011
